Writing proposed rule changes:

- Define the problem and develop as many solutions as you can by asking others for input.
- Choose one possible solution that appears to be the most appropriate and the fits the mission and goals of NSHA V.
- Determine if any other rules would be affected if your proposal were to be adopted and specify the rule numbers.
- Submit proper wording for a proposed rule change by typing or neatly printing the exact wording being proposed. If you propose changes to existing language, ~~strike through~~ the words you propose to delete. Type in ***bold and italics*** the words you propose to add.
- Rule changes submitted **WITHOUT** sufficient documentation and specific explanations detailing reasons for the change will **NOT** be accepted.
